Jay L. Marmer former Managing Partner and CFO and co-founder of Financial Security Services LLC, brings his expertise to Global Trust Asset Management LLC. He has over 30 years' experience in the financial services industry having held senior management positions with Fortune 100 companies. He has dedicated his life to helping people and businesses accumulate and preserve assets for their families.

Jay continues to help clients pursue financial security, always putting the interests of his clients first. As a dedicated financial professional he believes no client is "too small" and believes that more than ever today there is a unique opportunity to help individuals plan and understand how to better manage their retirement savings and financial life.

Jay's greatest satisfaction comes from helping clients prepare for and enjoy a comfortable retirement without the stress or worry of running out of money. His energy is focused on personal and business financial services with an emphasis on retirement strategies uniquely positioned to help:

- Small businesses.
- Healthcare Professionals.
- High Net Worth Families.
- Corporations.
- Government and Non-profit organizations.
